

Poyemgatti

1000000
17 This is one of the Darnassianus in the p. eminary of Rammed. This was granted by the Author in 1811 to the pp. 13 for substance -
The succession of its holders since the date of the grant. This has no other. It was lost.

This is a hereditary grant. This is in uninterrupted possession of its holders since the date of the grant. The last holder of the land was the village is supported by the accounts of 1812. The village was consisting of 5 holdings of an equal balance. The whole was in possession of the family of the chief of 1816 by purchase. The Grand Father of the Chief of 1816 purchased ~~the~~ ^{of the village with} on 5 occasions in 1828 and 1857-1858. 1860 from Subjig, Lokanatha Eyer, Sesha Eyer, & Ramo Surny Eyer. Fair Bells of sales are on Stamp of 1857-1858. The seller ^{was} the then shareholders in the village. The present area falls below that given in the account of 1828 in the Sakel says that the lands were measured & found 76 ^{are} are missing. He Lokanath about the boundaries which correspond to that in the account of 1828. Hence the area 176 Acres is confirmed here.

The average rates of food as well as of manure & labour are given.
