

Here the area of 232 Acres is confirmed here
 III. We have referred to a Land. Dry & cold lands are fertilized annually. The Surveyor says that the waste lands are of one or two years old - Soil is of a medium character.
 The average net profits of the Village are 37 Rs per annum. The average rate of Land as well as preliminary Salage is given on the back of the Report.
 In consideration of the fertility of soil &c, I frame the valuation as shown on p. 7-
