This is one of [illegible] Devadayam Villages granted for the support of the Temple [illegible] Needs a permanent grant — No Potta — The Village was originally Dormasaram. It was purchased by the Zemindar [illegible] & made an endowment of the same to the Temple — hereafter is claimed as Devadayam Village in the Accounts of F1211 [illegible] No [illegible] about the area on about the boundaries on the part of Rangi Vakeel. Hence the area of 76 Acres is confirmed here. The Temple is efficiently kept up — [illegible] & are performed — Soil is of a inferior quality. Average profits are 50 [illegible] per annum as per my calculation — All lands depend upon one Tank.
