Register No. 108
 Sheet No. 125

I. This is one of the Dammassams in the territory of Ramnagar. This was granted by the Government of 11 to the person of 113 for subsistence.
 - This is a hereditary grant. This is in uninterrupted possession of its holder since the date of the grant. This has no other. It was lost. The Village is supported
 - by the accounts of 112. This Village consists now of 10 equal Villages. They are enjoyed as shown in the margin. The lands are uninclosed.
 - Pongu or rice is paid on the number of Villages equally.

II. The present area exceeds that given in the standard accounts by 5. This is trifling. No Talker about the boundaries on the part of the King's
 - Deed. Remains one of 79 Acres is confirmed here.

III. The person of 113 & the person of 12 to 4 are relatives. The person of 113 pleads on behalf of others that his Grand Father Ruffayon purchased this
 - Village 70 or 80 years ago for Rs. 1400 from the Original Grantee & that the Bill given was lost. One Mathuram from who pleads that he is
 - the son of the Original Grantee claims to be entitled to the Village on the ground that his Father mortgaged it 48 years ago to the father of the person of 113 of 116.
 & that he has copy of the mortgage bond executed by his father to the father of the person of 113 of 116. He pleads that he will prove his allegations by the
 - witnesses. The age of the complainant is 48 years. In fact he is not born when his father mortgaged the Village. I have better written Ruffayon from the
 - witnesses named by the complainant. One of them says that he is now 55 years old. The other says that he is now 50 years old. That he can recollect well the
 - mortgage of the Village to the father of the person of 113 of 116. That he was then present & that his age was then 7 years old. The 2 witnesses are
 - Thoma G. S. & Perumal.

The person of 113 of 116 is now 55 years old. The other says that he is now 50 years old. That he can recollect well the
 - mortgage of the Village to the father of the person of 113 of 116. That he was then present & that his age was then 7 years old. The 2 witnesses are
 - Thoma G. S. & Perumal.

The person of 113 of 116 is now 55 years old. The other says that he is now 50 years old. That he can recollect well the

IV. Value is depend upon one Tank. It is per by single stream in Petan

= Channel is somewhat an influential one - This is a deep public feeling. The person

Very many of my white & friends write to me that they are not long uncultivated. Call
"Chattahoochee." They think that if they say that that is, no one will be offended. I think it

ascertain whether the accounts then produced are right or wrong - by enquiring the witnesses

the Netherlanders & the nice blooming Tillagers - But the results of my journey go to prove

= exaggeration in the matter of Whiston & I fear of the whole as well as of the

= medium Parasite generally. It consists, Pigeon, Pottet on the left hand are not full

On the whole the Wye is in pretty good state - But in the part of the country, above

- The energies of God as well as of human beings are given in the measure the state

shows that during the last 15 years, a Hallow good land produced, in crops, 6 bushels of grain

- grain was sold at 270 - This is somewhat higher than all three. The per cent of dry matter
- was 98. At 270 it is 98.5 - deducted from 60. The net result is 100.0 per cent.

= 55 p^{er} cent of the of the Lord is deducted of 100 p^{er} cent, the net profits are 45 p^{er} cent
= 45 p^{er} cent is labor account & hence the master also for the consideration of the receiving

that the is false account & leave the matter also for the consideration of the 2^d 1/2th ✓
= I frame the relation from, Jan. & say to C. & say to the produce at the Miller &

Note In making this
Calculation I gave every
allowance to the land
