reliance, & then, because the persons of the village who prepared the statements of the village & disaffairs, ^{who} wrote in them that their claims have not any documents to sustain them & because they produced the bills of sales of A.D. 1792 & 1794 - only on the 25 of the month of ~~the~~ on the 25 of the month of August 1864 - But as it is said in the Maratta Account & in the English Account of A.D. 1815 that the 19 Villages & 1/8 of a Village were purchased by the ancestors of the persons of 51 to 57 of 186 - it is no consequence whether the bills of sales of A.D. 1792 & 1794 be genuine ~~or~~ ones or not - The fact remains is not off account to the fact that the persons of the 19 Villages, who are, the persons of 51 to 57 of 186 said in last years that they, referring the fact remains & conduct the charity & feeding the ~~the~~ travellers within a period of 10 months, but this was ^{not} done though a year has elapsed -

Undoubtedly the 19 Villages & 1/8 of a Village do belong to the fact remains - & that the fact remains are misappropriating them since the last ^{of 55 years} ~~fact remains~~ - being influential men as appears from the remarks in the Maratta Account of A.D. 1815 - in which it is said that Chongaleswara Nakhyan ^{renewed} ~~granted~~ the entire village as Dammannan in A.D. 1809 - However as these 19 Villages & 1/8 of a Village are said as personal grant since the last 55 years, I recommended to confirm them on 1/8 of the three accounts upon the holders being & left them as personal grants -

The holders of these Villages are certainly unwilling to ~~dispossess~~ ^{desert} these Villages to ~~the~~ ^{the} fulfill the object ~~for which~~ ^{for which} they were granted -
