Grand Total. 2085 37

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf from an old book. The paper has a slightly textured appearance with some minor discoloration and faint, dark lines or creases visible, particularly near the top edge. The page is framed by dark borders on the left and right sides, which appear to be the edges of the book's binding or the edges of the scanner bed. There is no text or other markings on the page.

1

Need of a permanent grant. No break in enjoyment. No Temple is apparently kept up. No Potta. No village is supported by the land.

the factors are annually performed. No Lakona about the river nor about the boundaries, which correspond to those in the account of 1840.

Range Valley - 2nd class again upon a two Lumber Trail of a medium character generally - Average profits are 143 12 3 - 1st class very high

though there is some waste, I raise the valuation as shown by the Register - New Temple has 6 villages, the Registrar

The Total is 388-98 ^{and} Camp sum on these Villages -
