

Produktion

The sample is apparently representative of the general population of the area. The boundaries which correspond to those in the account of Lady 1846. Hence the area of 887 acres is confirmed here.

II. The cross depends upon one Lord. Lord is of a medium character. It is of long standing. The overgrown profits are 670-3-13. Hence a fair value. Hence I enter it as the value of the Range of 07 of the Register.
