I This is one of the villages in the puzam of Rameswaram. It was granted for the support of the Temple of the Rameswara Swamy & Parvata Varadany Amman at Rameswaram. This is a permanent grant. No Pottu. The Temple is efficiently kept up. The boundaries of the Village are not recorded in any of the Accounts. But the Range failed to find fault with the boundaries of the Village now inserted in the revenue statement & to prove any encroachments on the part of the Range Taluk. The boundaries were in the revenue statement proved to be correct. Hence the boundaries are confirmed here & 1910 and 45 Cents estimated within the said boundaries are registered here.

II The average income of the Village is 8500 Rupees per annum. This is not true. I raise it to 20000 Rupees with reference to the following rules of assessment & with reference to the fertility of soil &c. The actual income is reduced to show that the income of the Temple is not large.
