

Sadakkhananda

(This is one of the villages in the panni rang of ~~Pannir~~^{Madurai} - of Ramnageswaram - This was granted by Sundara Pandyan for the support of the Temple & the
Miniru Lockana Mudayam in Perungarai. This is a permanent grant No Pottu - The Village is entered in all the accounts in the name of the Temple.
~~The~~ It appears that the Temple fell in ruin about 30 years ago & that the object of the grant, which is keeping the Temple in our efficient state, ^{is now} impossible.
is not fulfilled even now. This temple has two or another village known by the name of Ruttasirindal, in addition to a portion of Pilakken Village.
The Village of Ruttasirindal was rented out by the Rany to one Pillatur Narayanaswar & Padakkannudal (Village under settled) & one
Nigipal Marich. The papers which show that the Institution fell in ruin as stated above are placed with this for the perusal of the Revenue
Officers. I sent a Notice to the Manager of the Rany on the 15 August /64 - requesting him to inform me on or before the 31st October 1864, ^{the other what time he} ~~when~~ ^{he} intends
on which day the Village will be settled, whether the Rany is willing to restore the Temple or not & if it be affirmative ^{above} ~~where~~ ^{what time he} intends to do so -
He wrote to me in reply a grant dated 31st August /64, which reached me on the 6 September, stating that the Temple will be restored within the next
3 months. As the Temple was abandoned 30 years ago, the arduous work spent among thereto ought to have been resumed long ago upon the Board's
Circular order dated 7 December /54. Under these circumstances I recommend the resumption of the Village as the restoration of the Temple is unnecessary,
& contrary to Law. Ponges should be paid annually from the Revenue of the Village to the panniwar. (Vide next entry)

Circular order dated 7th December 1854 - Under these circumstances I recommend the resumption of the Village as the most
 & contrary to Law - Pongee should be paid annually from the Revenue of the Village to the Government (Vide next entry)

Tadai ka
nenda C

A decorative flourish or calligraphic mark, possibly a signature or initial, rendered in dark ink on aged, textured paper. The mark features a large, sweeping loop at the top, followed by a series of smaller, intricate loops and strokes that form a complex, stylized shape. The overall impression is that of a personal or artistic signature.
