1 This is one of the Villages in the Zemindary of Ramesswaram. This was granted for the support of the Temple of Lord Ramesh & had the Public & Private Lands belonging to the Rameswaram. There is a permanent grant. No Pottas. The Temple is efficiently kept up. The Boundaries of the Village are not recorded in any of the Accounts. The Rangs Vakeel is galled to find fault with the Boundaries now inserted in the revenue statement & to prove any encroachments on the part of the Vakeel of the Trustee. Hence the Boundaries are confirmed here & the 209 Acres & 2 cents situated within the said Boundaries are recorded as such. The average income of the Village is 190 Rupees per annum as per statement of the Trustee. This is true. I frame the valuation of the Village as 209 Rupees as above stated with reference to the fertility of soil & the Trustee of the religious institutions reduce the income as a favour to the holders of the personal grants.
