1 This is one of the Devasthanam Villages situated within the boundaries of the Pannad & around any. It was granted some thousands years ago by Marudra Raja for the support of the Temple of the Nagaswara Swami in the Village of Nagaswara Swami. No Pottu - It was lost. The Temple is efficiently kept up - Daily & annual ceremonies are observed. Car festivals are performed twice - Hence the grant falls under Rule III of clause one. Tax free -

Daily & annual Premozes are deemed Carfeasts are performed twice - Hence the grant falls under the same rule as the

Laid. The boundaries shall pass the boundaries quietly, Hence the area

Daily & annual Premises are deemed Carports as performance - Hence the great force and - 6
 II... The present area is the same as that given in the account of 1924. Rejoinders shall prove the boundaries quite, Hence the area
 = 246 Acres is confirmed here
 The present area is the same as that given in the account of 1924. Rejoinders shall prove the boundaries quite, Hence the area
 = 246 Acres is confirmed here

III.... Wet lands depend upon one tank - which is not in repair. 28 acres of lands are of long waste. Wet lands are cultivated only once - Dry lands are of a medium character. 77 acres are of long waste & are cultivated. The average net profits of the Village are 106-138 as per statement of the Carnam. I frame the valuation as shown in Column 7 - This Village is a hamlet. This is a depopulated Village - The average rates of Gorkh Taluq are given on the back of the Register -
