I This is one of the Varnamman Village situated within the limits of the Panchayat of Ramnad - This was granted by the Government of 1811 to the person of
- In subsistence. This is a hereditary grant. There is no interruption of possession of its holders since the date of the grant. It has no Poller & it was Collected.
The Village is supported by the accounts of 1812. This Village was consisting of 8 Thottas of equal balance. The lands were then undivided. The whole Village
fell now in possession of the persons of 186 by purchase as shown below. This Village has no Hamlet nor Hamlets.

II The Sale of the persons of 186 purchased in A.D. 1855. On occasions the entire Village in general lots for Paper 980 from Sreenivasappa (1)
- Varadamma Iyer, Gopala Krishna Rao, Parvathi Ammal, (2) Ruppachetty Ammal, (3) Four Thottas are on Rampet for paper 980 some is on plain
Land on paper. Transactions proved to be bonafide. Engagement proved. Of the sellers, the person N° 1 ^{alias} ^{Parameswara} descended of the person who purchased lands from
the Grand son of the Original Grantee. The person N° 2 is the son of the Daughter's son of the Original Grantee. The person N° 3 is the Widow of the
Grand son of the Original Grantee. & the Widow N° 4 is the Daughter of the Grand son of the Original Grantee. Of these N° 4 is the Childless
Widow. The N° 5 Thotta is the person father of the persons of 186. As this entire Village is in possession of the alienists who belong to one family
as the Widow N° 4 is a childless widow & she had 5 Thottas subsequested to her in 1848, I think the said three Thottas must be charged with 1/4 annam
to the rest with 1/8 of arisement for compulsion, & so on leaving the sale of the persons of 186 ultimately for the consideration of the reviewing
Committee generally in full. The whole of it is

III. ... The lands depend upon two small banks - prepared by Jungles & mud - The banks are generally
a nominal one - The lands are not cultivated to time - The waste lands are of two years standing after statement of the people. In fact, the land is now
in his village. Soil is of a medium character generally - Timber & Paniput are not raised here - The average net profits of the people 16 as per
their own statement are 5 to 7 per annum - Scarcity of water is felt in some years - There is not time - The average of the soil as well as per annum
of the soil is 11 to 12 per annum - The soil is not watered to these lands - In consideration
of the soil is 11 to 12 per annum - The soil is not watered to these lands - In consideration
