Surickkulam 4000 5 07 10

This one of the Villages within the jurisdiction of Ramnagar. It was granted for the support of the Temple of the Kailashanathra-
in Thirapalem. There is a permanent fund. N. Pottar. It was lost. The Temple is apparently kept up. No person about the area
on about the boundaries on the part of Rang's Taluk - Hence the area of 178 acres & 88 cents is confirmed here - The Village is in the Muz
II Well lands depend upon a Tank. Soil is of a medium quality generally - Drainage incoming from the village is near and the last 10 or 15 years
because the Tank is not in repair & the lands become impregnated with salt. Particularly the destruction of the Village is owing to swampy
care on the part of Trustees. The Temple has 5 Villages besides the one under settlement. As there is no full bottom in the Village, Pringle
the funds of the said five Villages - However I value the Village at Rs 90 & 2/3 if the Tank is restored, the Village will produce about Rs 100
