

Register no. 650
Sheet no. 763

(This is one of the things in the gemin dar of Ramnagar. This was granted by the gemin dar of 911 for the support of a Shastri in Benares. This is a permanent grant. No break in enjoyment. This has a Potta on a copper plate. It contains no boundaries of the Village. No talk now about the area or about the boundaries of the Village. The boundaries now inserted in the vernacular statement correspond to those in the account of 1726. Hence the area of 622 bars & 32 ^{bars} of the Village is confirmed here. In the English Register of A.D. 1815 copy of which is forwarded to the Board of Revenue it is said that this Village has no grant. The gemin dar Sakell Pentia but this Potta is a genuine one. In the Potta it is said that this Village was granted for the support of feeding men in the Shastri & for worshipping Viswanath Shring & Visalakshy. Hence in Benares & for Maheshwara Pujah in the Mattam relating to the Shastri. The Sakell of the Trustee pleads that the object of the grant is not in any way judicial & that it is apparently rept ap. It was necessary to find out whether the stat enact of the Sakell was true or not. Hence I called upon him to prove it. He produced the accompanying Mahazarnam from a most respectable "Katkestai" Shastri. These Shastri say Ram & Devagunga are appropriated for the use of the

This Village is mentioned to be Kail Chittanagar Village both in the account of 12104/223 -
The average income of the Village as per statement of the Tahsil & the Trustee is 1070 Rupees -
This is not true. I estimate the average income to be at 2000 Rupees per annum -
In the Village there are good Tanks which are four in number. Soil is good - This is Sarva Mangera Village -
