

Tempi-davan kudi

1 This is one of the 3 Villages granted for the support of the Priestly of Dargal and Chulturn. The Village of Dargal.
This is a hereditary grant. No brass in enjoyment. The Priestly is apparently kept up. Daily 50 or 60 people are kept in.
Now the object of the grant is not protected - No Lakkar about the area or about the boundaries which are in the account of Lady 1266.

Register no 202
Sheet no 227

The said lands depend upon a Leath. It is good by Taignogun mine. The Leath is out of repair. Hence the ~~lands~~ said lands are
waste to a great extent. Average profits of the Village 5080 per Ton of a superior quality of iron ore.
Average profits of the Village being fair, it is entered here as of the value of the Village.

A large, stylized, handwritten flourish or signature in dark ink on a textured, aged paper background. The flourish consists of several loops and a long, sweeping tail that extends towards the bottom left. The ink is dark and the paper has a warm, yellowish-brown tone with visible texture.
