

Register of Sivadayam Village of Koulattur No in Raminad Taluq of Raminad Zamindary Estate in Madras District

Koulattur 0075375

I have one of the villages in the puzos of Raminad granted for the support of the Temple of the Raminad Puzo & Paravattam & Immune.
 Raminad is a permanent grant. It was lost. The Temple is apparently kept up. It is said that the area
 over about the temple on the part of Raminad is the same as it was in 1811. It is confirmed here.
 The land is of a good soil. It is of a medium fertile ground.
 The village is of 111 acres of which are converted into dry from wet by Salub.
