Registers of Chaully & Tharmasam Villages of Suratijendal in Ramnad Taluq of the Government of Madras District.

Suratijendal

I This is one of the Villages in the Territory of Ramnad Taluq. It was granted by the Government in 1811 to the Chaully of Tharmasam. The latter is a hereditary grant while the former is a perpetual grant. This is supported by the Patta engraved on a copper plate which is produced now before me. The Patta is not a registered one as reported by the Madras Government. The account of 1811 shows that 9/16 of the Village belongs to the Chaully & the 7/16 to Tharmasam. Again the Government account of 1815 shows that half of the Village belongs to Chaully & half to Tharmasam. The reason of the difference is this - At the time of the Permanent Settlement 1/16 of the Tharmasam portion of half Village was under attachment of the Government. It was added in the new account to Chaully portion of half Village. One or two years after the Permanent Settlement, at the time when the Chaully & Tharmasam portions of half Village were transferred again to Tharmasam the 1/16 share that was under attachment, in the account of 1815, the Village is entered in the name of Chaully. The Chaully & Tharmasam portions of half Village since the last 63 years in the Government accounts, half of the Village is entered as Tharmasam & half as Chaully Village. Hence one half of the Village is confirmed to Chaully & the remaining half for Tharmasam. The Village consists of 16 equal shares in all 8 shares belong to Tharmasam & 8 shares to Chaully. The lands are divided - 1/16 of the Village is divided equally into 8 shares of 1/16 each. The remaining 15/16 of the Village is divided into 8 shares of 15/16 each. The lands are not exchanged since the last 30 years. The lands of the Chaully & Tharmasam portions of half Village are distinct from one another - (Tharmasam)
