Registers of Devadagam Village of Vittaravai in the ~~the~~ had Taluk in the Zamindari Estate of Ramnad in the Madras District
Vittaravai 2. 5. 3. 0. 0. 0. 2.

I. This is one of the Devadagam Villages in the Zamindari of Ramnad. This was granted by the Zamindar of 11 to the Temple of ~~the~~ of Jagannath in Ramnad. This is a permanent grant. This is an uninterrupted possession of the Temple in the date of the grant. The Temple has a ~~the~~ on a copper plate. The Temple is officinally kept up for feast & are performed annually.

II. The area is not given either in the account of 1721 or of 1726. The present area exceeds that given in the account of 1726 by 40 acres. It appears that as the lands were grown up with jungle formerly, the area of the same was not entered in full in any account. The Zamindar of the present time has no fault with the boundaries. Hence the area of 675 acres is confirmed here.

III. No soil cultivation. The Village lands are of a medium character. In fact, there are no waste lands in the Village. The Zamindar says that 291 acres of land are waste out of 2 years standing. The average net profits of the Village are 336-32 as per statement of the Zamindar. I frame the valuation as shown in Table 1.
