Remarks

1 The Mahayanas of the Darmasam are under settlement are the owners of another Darmasam known by the name of Arambak Kotai - These two are not contiguous to each other - But the Mahayanas hold equal shares in both of these villages as that is of a person held 10 shares in the Village under settlement - he must hold 10 in the Village of Arambak Kotai also & vice versa - Thus the above sales & gifts include the lands of both of the villages - It is said in the bills of sale & deeds of gifts that the lands of Vadavany & Arambak are sold to each a person -

A

1 One Trustee of the Mahayanas of the Village of Vadavany one of the lands entered opposite to the persons No 80-81 & 82 of 16 on the ground that it is his patrimony - It is proved & admitted by himself ultimately that he sold the lands to the person No 80 of 16 - on the 7th November 1862 - Jan. paper 335 - ^{at a mortgage} Bill of sale is on stamped paper -

1 One Vandera Satty & Venkata Subba Satty firstly plaintiffs & 32 part of Vally sold of 16 of a Vally adding Trustee as alluded to in the preceding paragraph marked A is under mortgage with them and the last 25 years - & that the father of Trustee executed an agreement to their father's elder Brother at the time of no stopping the lands that he will sell them if he is apart with them & that he will not sell them to other ^{if he is apart with them} - contrary to this agreement he sold the lands to the person No 80 of 16 - The day the Venkata Subba Satty - brother of Vandera Satty appeared before me for settlement of the Village & represented that he & the person No 80 of 16 settled the above dispute amicably; but he ~~has~~ now his ~~plaintiffs~~ Brother has claim to the lands & that they will receive the money lent on the lands & restore them to the person No 80 but on the condition the mortgage & owners of the lands sold them - Thus the lands are registered in the name of the person No 80 of 16 - Again the Evidence Vandera Satty complained to me - some time ago when the accounts of the Village were under preparation that the person No 80 of 16 extorted his signature, as a witness, on the bill of sale executed by him to the person No 80 of 16 - The day he appeared & his Brother Venkata Subba Satty says that his elder Brother, the complainant signed the bill of sale fully. However it is proved by other witnesses & who attested the document that the complainant Vandera Satty attested his signature to the bill of sale a month ago & that is to make a person to sign as the seller & make the mortgage -

Valuation

I Wet lands depend upon one large Tank - It is round in shape -
 It is fed by one of the branches of the river, an influential river in the
 District. The Tank is fed annually in ordinary seasons - The Mahajanams say
 that the Wet & Dry lands claimed as waste are settled in the lands left
 waste occasionally or full water occasionally. The result of my enquiry
 into the facts is individually show that there is some exaggeration in the statement
 of waste as usual - of course some of the lands claimed as waste are left
 annually unwatered from want of water. The Village is in a low
 state. Most of the influential & rich men hold shares therein by purchase.
 Wet lands are full watered 2 times a year of the wet area now. The Mahajanams
 say that the Branch Channel of the river which is under repair is restored
 completely, 1/2 of the wet lands will be full watered 2 times in favourable
 seasons - The repairs of the channel will be completed this year. Soil is of
 a medium character generally. There are some superior & inferior lands in detail.
 Garden crops are raised in 3 or 4 years under the Tank. Scarcely 1/2 of the area is
 left in a very few years. The crops are - Bananas, good -
 The result of the village are, soil is of a medium character, the supply of
 channels is an influential one & most of the lands are full watered annually -
 I have no materials to enter here the average assessment of the neighbouring
 Wet lands that are settled on sharing system annually - The average dry
 rates of the neighbouring Agri Villages of Periya Nagaramongalam &
 Periya Nagaramongalam are at 11 - per acre. The rates of the
 Agri Villages are in junction with those under the Darnas among under
 settlement. The average income of the Village as per statement of the
 Mahajanams is 4564. The statement is false. The statement A entent
 in the preceding sheet, ~~statement~~ will show the capabilities of the soil in
 the Village where the Darnas among under settlement is situated. After
 weighing the fertility of soil & the proportion of the soil in
 as follows with the aid of the Mahajanams keeping in view the old prices
 of grain - 1 Wet 1000 per acre at 4 Rupees per acre - 790 - 0 - 0
 Dry 3720 per acre at 1/2 Rupee per acre - 186 - 0 - 0
 in consideration of full watered
 of waste area - Total - 976 - 0 - 0

There are some waste
