Register No. 129
Sheet 1

I. --- This is one of the Sivastams in the ptemmang of Ramnagar. This was granted by the ptemmang 11 to the person 13 when it is not true.
 - for Police service such as the preserving the peace of the country & going to battle in time of necessity to aid the Ruling power, with sufficient number of Pons.
 - The Original Grantee is a Sison, whose duty resembles that of Doratannas in Purul Kany Taluk & Jangi Kattabassur in Ramnagar District & Samastanum.
 - of Ptemmang - The person 11 of 16 always retains in his service not less than 7 Pons to meet any exigency - he raises the number in time of necessity as it was done by
 - his ancestors - The Pons are paid in ready money - They have not any right in the Village - They are discharged & entertained by the Sison or his private servants.
 - Now the person 13 is doing duty such as sending Pons along with the Taluk remittances to the Rang's palace, & preserving the country from the ravages of the robbers.
 - These services are no longer required under the new Income Rules - Hence this Village & another Village Sathipatty granted to the person 13 for the same service are
 - enfranchised on half assessment under Rule XX. This releases the Sison from every tenure of service & makes the Village as freehold property.
 - It is stated both in the account of 1815 both Tamil & English accounts that these Villages are granted for the Police service.
 - The Sivastam has no ^{the} documents of any kind with him - The present area shows considerable excess above that given in the account of 1811 -
 - The excess lands being in arable land formerly, they are not entered in any account - All these lands are situated within the proper limits of the Village.
 - The ptemmang Taluk finds no fault with the boundaries which correspond to those in the account of 1811 - Hence the area of 1372 Acres is confirmed.
 II. It appears from the statement of Broonachellam Pillai, the Taluk of the person 16, that it is not customary to divide the ptemmang
 - money among the person 11 of 16 who is head of the family gives sufficient money to the person 12-34 for the substance - (There is no more).
