

21 வட்டம் 175

No Talk was about the boundaries on the part of the Range Valtell. The boundaries now inserted in the new cadastral plan correspond to those in the Account of 1826. Hence they are confirmed here & the 36. and 71. fathoms noted therein are registered here.

This is not true. I raise it to 600 pages with reference to the Festivals of David &c

III---Vodagar Ambabai son of Muttu Vadachy Tamm above alluded to ^{the claimed both} of the village or half of the half village sold by his father in AD 1847 to the father of the purn of 016 by reason that he purchased it in AD 1841 from the Pandit of his wife & that his father had no authority to sell it. He admitted the genuineness of the bill of sale executed by his father on a stamped paper leaf. The claim of the Plaintiff is not proved. Ultimately the Plaintiff withdrawn his claim which is an unproved one & signed the bill of sale executed by his father or in other words confirmed the transaction. Thus the dispute ended. The entire village is in possession of the purn of 016.

IV---One Ralewaryam claimed to the entire village by reason that his ancestor acquired them partly by purchase & partly by gift long ago & that it is now in his possession. He failed to prove the same. It is satisfactorily proved that the entire village is in possession of the purn of 016, ^{partly} partly by purchase & partly by gift as shown in para II of the Register. That the claim proposed by Ralewaryam is a collusion one. In the bill of sale of 1847 which is on a stamped paper leaf it is said that the purn of 016 is in possession of the family of the purn of 016 since long & that the remainder half was sold to the father of the present holder of the village by Muttu Vadachy Tamm who purchased it previously in AD 1841. The entire village is in possession of the purn of 016. Hence the claim of Ralewaryam is rejected & the party is referred to the civil court. The two bills of sale of 1841 & 1847 ^{the purn of 016 produced} bundle of receipts showing that the ^{entire} village is in possession of the purn of 016. All the receipts are in the name of Ruppangar, father of the purn of 016.

V---The land depends upon one tank of moderate size. It is not in thorough repair. It is fed by a jungle stream & by the waste water of the contiguous fields of the dryer village of Brasattur. The supplying channel is an unimproved one. The holding the village any that the land is fullwater with dry crops since the last 7 or 8 years or since the tank was washed away by floods. That they will be fullwater with wet crops within the next 5 years by repair restoring the tank. They say and say that of the dry land, 10 acres are cultivated annually & the rest as Muttukad. All this seems to be true. No mistake to enter here the average wet once when the tank was in repair. Wet & dry soil is not in parcels generally. No mistake to enter here the average wet assessment by the contiguous dryer villages. The average income of this village is 260 Rupees per annum as per stated by the holder of the village. Inconsideration of the fertility of soil or of green the valuation of the village is as follows

Wet 16/8	to now fullwater with dry crops & get the fullwater crop with 10 crops at 2/2 Rupees per acre	16
Dry 16	now fullwater at 10 Rupees per acre	16
Dry 12	now fullwater at 10 Rupees per acre	12
