(Continued from p. 100) There is a session of the person N^o 9-10 & 11 of 1816 in the name of the person N^o 8 of 1810. In the year 1850 the person N^o 8 of 1816 filed a suit in N^o 22 of 1850 on the file of the late Subordinate Court of Sessions for the recovery of the lands in possession of the person N^o 9-10 & 11. The decree of the Subordinate Court was in favour of the Defendant, but the Plaintiff, the said Court confirmed the Decree of the lower Court - The Original Plaintiff preferred a special appeal to the late Sudder Court, who thereupon remanded the suit in order that the parties should be awarded their costs again. The Plaintiff is entitled to be awarded his costs again. The Plaintiff & Defendant save the Village of Sereen. Upon this the Defendants again preferred a special appeal to the late Sudder Court in suit N^o 101 of 1855, the Court again remanded the suit. Ultimately the present Civil Judge at Madras passed his final Decree awarding to the Plaintiff & Defendant equal shares in their Patrimonies & 2/3 share to the Defendant & 1/3 share to the Plaintiff in their self acquired property. Under that decree one & one fourth (1 1/4) parts fell to the Plaintiff & 3/4 parts fell to the Defendant. Now the Defendants N^o 9-10 & 11 of 1816 grieved about the construction of the portion of the Decree that relate to the Village. The person N^o 8 of 1816 claims to 1/4 share both in the Dy, & in the lands in the entire Village. The Defendants plead that there are certain lands in the Village as "Samshy" or joint property, some of which belong to the Plaintiff, that the Court never transferred the joint lands to the Plaintiff & that therefore the Plaintiff has no right in the said joint lands. I repeat again here that some of the lands are divided & others are not. I repeat again here that some of the lands are divided & others are not.
