

This is one of the Divasat or small Villages in the p^residency of Ponnai. It was granted by Malabar Rana Raja, ~~to~~^{for} the support of the Temple of the Maha Siva Swami in the village of Nayanur about 10 years ago. As there is no Patta the exact date is not known - It is a permanent Grant. The temple is supported by the rev. Rs. 100 in Moolam 12. The Temple is sufficiently kept up. Daily & annual Feasts are observed. Festivals performed twice a year. Hence the grant falls under Rule III Clause one Tax free.

11. The present area of the village corresponds to that given in the account of 1722. The peninsula is well founded no fault with the boundary given in the Patent, which corresponds to those given in the account of 1724. The area of 5770 Acres is therefore confirmed here.

III. There are two Tanks in the Village one is large & another is small. Wet lands are cultivated annually in fall. Soil is of a medium character. Scarcity of water is felt occasionally. The lands are not cultivated & timber - Pungah Cattle are of a superior description - 4058 persons are of an immemorial date. 1st. to the settlement - The average value of the District as well as the boundary Taluqa are given on the back of the Register - I grant the valuation of the Village as shown in column 7 - The average net profits of the Village are 1385 Rupees as per statement of the Talukdar.
