

This is one of the Daamisanam Villages in the Taluk of Rammed in the pemonny of the same name. This was granted in S^d 1631 by the then pemonny Setap at Ratta Diver, song Selupots Ragumeda Divier Bone Kote Kannayadinam Raja Ra Chappa the first 13. For subsequent. This is an uncorrupted possession of its holders since the date of the grant. The grant is supported by a Potta on copper plate. In the account of 12. The Potta contains neither seal or signature of the grantor but the Potta seems to be genuine one supported by the pemonny's accounts. The village has one Hamlet which is known by the name of Keniga Wendel. This village consists of 6 appeal shares & the Puri or Pompu is paid equally over the number of Thettis.

There are no entries in the flat given in the account of S^d 1211. The figures given in the flat 1 to 5 of the Register

II. The area of the Village corresponds with that given in the account of 1821. The figures given in 1823 of the village
- are deduced from the statement & Register produced by the Mahagarani of the Village - The Mahagarani state that they measured the land
some years ago & found the area to be 70 acres but is 6 acres above the area of 1821. The excess is below. Further - The Pottier Plate
contains boundaries of the Village. The account of 1824 also contains the boundaries of the Village. The Village gives no fault
with the boundaries in the statement produced by the Mahagarani so as to correspond with the Pottier & since the area of 70 acres
13 fms is confirmed here. The Mahagarani of Kulesa, Mangalam, & Darmasam are situated in the vicinity of the Darmasam under
settlement - find that the boundaries given in the Pottier Mangalam under settlement ~~and~~ includes about 2 or 3 acres of their lands that are
not cultivated since the last 20 or 30 years. The Mahagarani of these two villages agreed to abide by a decision that may be passed by Panchayat
& thus the dispute is settled.

III. The person No 1 is the descendant of the Original Grantee. The persons No 3 to 5 are the descendants of those who acquired the shares entailed opposite to their names 90 years ago from the descendants of the Original Grantee. There is no documentary evidence in support of this. The lands of the Village have been divided long ago.

[Handwritten note:] - of these quantity 90 years old. But they are 90 years old from
