

1 This is one of the Devadayan Villages situated within the limits of the pargannah of Rammed. This was granted by Muttiah Kama Linga Veluputty to the support of the Temple of Perikungaleen near Puzay in Uthar Kavan Mangat in AD 1783. This is a permanent grant. This is an unimputed possession of its holders since the date of the grant. No Poll-tax or any sort. The Temple is apparently kept up. Forfeiture is performed.

III Red Coats depend upon a Land. 21 1/2 Acres are cultivated annually & the rest is left waste since long they are free from any
No crop is cultivated. Land is of a saline nature. Dry Coats are cultivated annually to an extent of 10 Acres.
The expense of passage is paid from the Revenue of the other Village called K. Temple.

The average profits of the Village are 43-117. The difference of profit of soil is
With reference to the nature of soil & I frame the valuation as shown in Col 7-

A large, stylized, handwritten flourish or signature in dark ink on aged, textured paper. The ink is dark brown or black, and the paper is a light tan color with visible fibers and some minor staining. The flourish consists of several loops and a long, sweeping tail that extends downwards and to the left.
