I. This is one of the Dammamams in the vicinity of Ramnadpuram. This was granted by Sundara Pandya of off to the year 1772 for existence. This is a hereditary grant. This is in complete possession of its holder since the date of the grant. This has a Patta engraved on a stone in the Temple of Shagun Gouri in Melur Taluk. This village is supported by all the accounts of 1712. This is the 91st Village forming Perungannai Taluk omitted from the Account of 1785 copy of which is forwarded to the Board of Revenue. This is a small village. No Tallanah about the area or about the boundaries on the part of the hereditary Vaddel. The boundaries correspond to those of the Account of 1746. Hence the Area 588 Acres 288 Futs is confirmed here.

II. The Village consists of no separate Vaddis. The lands are assigned as shown in the map. The lands are divided permanently.

III. The persons of 16 are descendants of the Ogl Grantee. They say that as several generations passed between the Ogl Grantee & themselves, they are unable to describe their relationship with him. It is proved by tradition that the persons of 16 are descendants of the Ogl Grantee (Vice next case).
