1 This is one of the Darnasarams in the remainder of Ramnagar. This was granted by the person of 18 to the person of 18. This is a hereditary grant. This is a remaindered possession of its holders since the date of the grant. This has a Patta on a copper plate. The account of 12. The account of 1211 & 1815 shows that this is a personal grant. The copper plate Patta which is produced by the person of 18 is not but half of the Village is Darnasaram & the rest is granted for "Divisary Ratta" or feeding Bramins once in fortnight or "Divisary Ratta". This is not a registered document. The Mahajans say that the entire Village is Darnasaram & that it is enjoyed as such since the date of the grant - to the person of 18. It is placed as Darnasaram in the account of 1211 & 1815 and as it is enjoyed as such, I claimed it as personal grant. The Mahajans say that in the habit of doing "Divisary Ratta". The present Mahajans say that given in the account of 1211 & by 119 1/2 acres. The Mahajans say that the Village was measured in 1246 under the order of the collectors, owing to certain disputes among the Mahajans & that the area of the Village found by that measurement to be 335 acres. All these lands are situated within the proper limits of the Village, which correspond to those in the account of 1246. The Range Sahib confirmed the boundaries. Hence the area 334 acres & 78 fads is registered here. The lands have been divided per manly long ago.

(Continued from p. 1-20). The person No. 15 of 1876 pleads that he has purchased the two Pongos entered opposite to his name & on 3 occasions for Rs. 685/- from one Subbarumanya Setty, Rangaswamy Pillai & Sabarumya Narayana Pillai & all my In proof of this he produced 3 Bills of sales drawn upon plain paper leaves - signed by himself representing that 4 out of 8 Thuttes in the Village are in his possession as stated in A.D. 1877 by the then Sub collector of the District in satisfaction of certain arrears of Tax due by the said persons & that the said 4 Thuttes and four Thuttes & the arsealings of the persons No. 1 to 9 of 1876, they were purchased by one Ramusai Subbarumanya Setty & that the said 4 Thuttes from Pongos up to 3 & sold one share to Kattavaraya Pillai another to one Niyaz Mahomed Ambalakaren's son & the 3rd Thutte was sold to him subsequently Subbarumanya Setty <sup>the</sup> sold his share to him about 10 or 15 years ago for Rs. 500/- & gave a written bill of sale & purchased half of the share of Kattavaraya Pillai from his son Elanguleswara Pillai & his younger brother's sons Rangaswamy Pillai & Son Narayana Pillai for 250/- & under two written bills of sales in A.D. 1879 & that the remaining half share of Kattavaraya Pillai & the full Niyaz Mahomed Ambalakaren's whole is continuous. 52 Thuttes were purchased by Abdul Karim Affeyy, Father of the person No. 1 of 1876 & that he is enjoying the 2 Thuttes, out of 8 in the Village, unobscuredly since the date of purchase but now the persons No. 1 to 9 of 1876 entered statement produced in this office <sup>the</sup> his lands as their own papers. He (the person No. 15 of 1876) produced in proof of his allegations 3 Bills of sales above already & a <sup>the</sup> certificate granted by the Sub collector Mr. Clegg stating that the 6 Thuttes or half of the Village were sold to Subbarumanya Setty, with his official seal & signature - In addition to this he also named 4 witnesses -

The person No. 1 to 9 of 1876 plead that they purchased the four Thuttes purchased in public Auction by Subbarumanya Setty originally from the Pillai, Niyaz Mahomed Ambalakaren's son Narayan Pillai & Subbarumanya Setty for Rs. 1200/- about 25 years ago & that Bills of sales were consumed by fire about 23 years ago & that 2 Thuttes have been mortgaged to the person No. 15 for 400/- about 24 years ago for an undivided period & that the said 2 Thuttes are in possession of Sanyal Tennan the person No. 15 of 1876. The last 25 years - signed the person No. 1 to 9 of 1876  
time of most

The three bills of sale purchased by the person N<sup>o</sup> 15 of 1816 are as follows -

- A One executed by Subbramanayan Satty to the person of N<sup>o</sup> 15 - selling 1/2 of 4 Villages out of 8 in the Village - out D 1854  
B One executed by Rangaswamy Pillai to 2-5 D D - selling certain lands - D D D D D - out D 1854  
C One executed by Mangaleswar Pillai to D D D D - selling certain lands D D D D D - out D 1854

These lands were equal to 2 Villages of 8 with Village

1 The genuineness of the document is proved by the sale of it above the song Elder District the Seller & who is successor inherits all the property of the Seller -

Thus the genuineness of the document is proved and by the person N<sup>o</sup> 15 of 1816 is satisfactorily proved - His enjoyment is also proved by these 3 other witnesses. The total value of these lands as per entries in the Bills of Sales are - 733-12 -

1 Out of 17 witnesses named by the Defendants, the persons N<sup>o</sup> 159 of 1816, two said that they know nothing about the matter in question & that they merely heard that the person N<sup>o</sup> 159 purchased the 4 Villages in dispute & out of four other remaining witnesses some said that the ancestor of the person N<sup>o</sup> 159 of 1816 did purchase the four Villages in question & others say that the person N<sup>o</sup> 159 of 1816 did merely agree to them. 2. As to the person N<sup>o</sup> 15 of 1816 there are several discrepancies in the P<sup>o</sup> P<sup>o</sup> papers given by these witnesses of which they are not respectable men - The mode in which they gave P<sup>o</sup> P<sup>o</sup> papers show that they are connected witnesses - I am confident that the person N<sup>o</sup> 159 of 1816 concealed the bills of sales which they must have for having purchased two Villages. The cause of these documents are lost before me, they will have no cause to this dispute. Again it is not possible to believe that the person N<sup>o</sup> 159 of 1816 lost the bill of sales by fire, because they are rich men & because they live always in tiled houses & not thatched houses - I heard also from several persons that the person N<sup>o</sup> 159 of 1816 are threatening the person N<sup>o</sup> 15 to retire quietly after taking back the value of the two Villages in question & that otherwise they will as him in front & so the slothfulness of the Village is anxious to give a share in the Village to the person of 1815 who is considered to be of a dangerous caste, they concealed this dispute -

On the whole as it is proved satisfactorily that the person N<sup>o</sup> 15 of 1816 did purchase two Villages in the Village & is enjoying them since long - I reject the unfounded claim of the person N<sup>o</sup> 159 of 1816 & register the lands in the name of the person N<sup>o</sup> 15 of 1816 - The person N<sup>o</sup> 159 of 1816 are of course referred to civil court - The two Villages are in possession of the person N<sup>o</sup> 15 of 1816 as admitted by themselves -
