This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some faint smudges and discoloration, characteristic of old paper. The left edge of the page is bound, showing the stitching and the adjacent page. There is no text or other markings on the page.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor discoloration and a dark, curved smudge or stain near the top left corner. A small, dark, circular mark is visible near the bottom center. The page is otherwise empty of text or illustrations.

confirmed here - The ex cpts is situated within the proper limits of the village which is of
the same name as the one under Settlement one given by the original Grantee

In the upper part of the original grant there are descendants of the original grantors, and in the lower part there are descendants of the original grantors.

al business. In the Copper plate it is said that the Stage was granted to the Framers of Managoochee. -

But in the account of 1122 it is said that this was given to the

(Continued from page 1) The Mahajanas admit the above transactions unanimously & the fact is among the Mahajanas about the shares are given below -

The person No 4 of 16 claims to the lands entered opposite to the name of 57 of 16. on the ground that she is not entitled for a share - The Court No 57 pleads that the Plaintiff No 4 is not entitled by partitioning her lands - The Plaintiff is the great grand son of the great father of the Plaintiff's law of the widow of 57. It is proved that this is a divided family & that the father-in-law of the widow of 57 mortgaged the lands in 1842 or 1843 to Subbaram & that the Court also borrowed some money sometime ago from the mortgagee & that the Plaintiff's ancestor shared the property with the father-in-law of the widow's law of 57. Hence the claim is rejected & the party is referred to seek Court. The genuineness of the document is admitted. The person of 57 of 16.

Valuation

1 Wet lands depend upon one large & small tank. They are fed by Pungla Stream & 41 Ramasasthishore (41) in
= The Tanks are in a state of an increasing influence. The little boy says 55 he older 18/19/20
= says that the wet lands of Pungla are of long waste & that the Dry lands as waste are 42 Sairani (42)
20 years waste. They enter a remark in the vernacular statement that the former is 5 & the 20 years waste 43 Sairani (43)
= latter is 10 years waste. They say again that the wet lands are left waste from want. 44 Sairani (44)
= of repairs for the Tanks & from want of water that the Dry lands are left waste from 45 Sairani (45)
= certain dispute among themselves & the system of Pungla for ~~the~~ Pungla Ramasasthishore (46)
= to the possession of 1/3 of the gross produce. On any thing more rigidly it appears that the 47 Sairani (47)
Dry lands are left waste since the last 20 years from the said dispute & that some of the 48 Sairani (48)
wet lands of the Pungla area is actually unwatered lands. 49 Sairani (49)
= small the Pungla of the Pungla area is in good terms with the Pungla 50 Sairani (50)
