of 632 Acres & 96 Cents is confirmed here. The boundaries inserted upon the vernacular statement do not correspond to those in the account of July 1846. Mr. Talbot engaged the inhabitants of the neighbouring villages, satisfied himself of the correctness of the statement of the Magistrate & confirmed them as far as possible without raising any objection. There are also some other places where the boundaries are also confirmed.

as rejected & the parties are referred to court.
The father, nearly aged 70, is far back as 57 years -
the person N° 3546 of 1816 - about 6 years ago & that the father of the
person N° 3546 of 1816 of less very roughly that he knows nothing
of any Sarracenia or any other allommed. Brachylogina, son of
N° 3546 of 1816 - about six years ago - appears the person N° 40 of 1816 -
any father of the mother of the person N° 3546 of 1816 - but 27 years
in which the transaction of the marriage did indeed not take place
account of V. Henry or at D. B. 88 that the 6/16 of 1816 is with the
person is also supported by the person of the Village of 1816 - Hence the
of a V. Henry to the person N° 9 of 1816 for per 62 & executed a bill of exchange
and still due to him 1/4 of per which he never made good up to his death
to the seller & that he will pay it to him immediately - As the laws are in
hands are registered in the name of the person N° 9 of 1816 - & refers to the person
that long after the demise of the father without issue, went down
N° 37 of 1816 - leaving only 1/2 part of a V. Henry for his mother alone through the
father. It appears that the mother's father, Morgan Boston died 30 years ago;
that the father was in the Village and used the lands of the deceased from 1816.

It is proved by the depositions who are present & by the fact of the Defendants having paid 1100 Rupees to the Plaintiff in satisfaction of the arrears of the rent of the
-Cane in question, that these two Villages are the property of the Plaintiff or Plaintiff. The Defendants also admit of their having paid the sum of 1100 Rupees to the Plaintiff
& state that it was not paid on account of the arrears of rent though it is proved that they had no ~~other~~ necessity to pay to the Plaintiff the sum on any account.
It is true that the Defendants state that they sold the two Villages - There is no proof to consider that they sold the very lands. Even if ^{they} had sold the very lands they have
now come to ~~reclaim~~ restore the two Villages to the Plaintiff. Under the above circumstances, I register the two Villages in the name of the Plaintiff ~~Shree~~ ^{Shree}
- who is numbered 49 in the Register.
