1 This is one of the Darnasarams in the former survey of Ramnagar. This was granted by Tirumala Purayana to the person of 154 after his
 subsistence. This is a binding grant. This is in uninterrupted possession of its holders since the date of grant. This has a Patta engraved on a stone in -
 : Hager found in Madar Taluk. The Darnasaram is supported by all the Accounts of 1822 - This is omitted by mistake from the English Account of 1824.
 - Copy of which is forwarded to the Board of Revenue. The Taker has about the Area in about the boundaries on the part of Perungaramai Taluk -
 - Hence the Area of 113 and 95 Cents situated within the limits of inserted in the Account of 1824 - is confirmed here
 The entire Village is in possession of the person of 156 who is proved to be a descendant of one of the original Grantees by tradition &c
 The persons whose names are entered in folio 154 were not shareholders in the Village under settlement. They were principal shareholders of some of the
 Villages forming Perungaramai Taluk. In folio 154 of the Register of the 92 3/4 Villages forming Perungaramai Taluk, these very names will
 be found -

be found -
 The lands depend upon one tank of moderate size - The opinion of Obeyo that the lands of this Village are washed away by the sufficing channel of
 about a path, important upon things - that therefore the lands are not cultivated annually in full - He again says that if a dam is raised at a cost
 of about 200 Rupees, all the lands will be cultivated annually
 that cannot want of means, the Village is left in

[illegible]

about 200 ft. long, & that from want of mending, the bridge is left in a
developed state. The person of 16 promises to raise
the dam & improve the canal within the next three or 4
years. I find that the bridge is left in a neglected state for
certain years among the roads & the person of 16 & the
mayor of the village - (Vice-mayor)

- Wet & Dry soil is of a medium fertility generally - Wet lands are not cultivated annually & the
the Village, seems to be really in a deteriorated state - The average income of the Village as per
statement of the p. 16 is 20 Rupees per annum - This is low
- In consideration of the fertility of soil & I give the valuation of the Village as follows -

- Wet 4000 cultivated at 30 Rupees per acre - 120000

- Wet 9000 Waste & at 10 Rupees per acre - 90000 210000

- Dry 40000 cultivated at 9 Rupees per acre - 360000

- Dry 58000 Waste & at 4 Rupees per acre - 232000 592000

Total 580000
