Extract from Village of Kaluvanechéri No in Pallimadam Taluq of R. Zamindari Estate in Madura District

Kaluvanechéri

1 This is one of the Villages in the Zemindary of Ramnad - It was granted for the support of "Periya Chuttrum" in Mudukangoleum -

There is a permanent grant - No Pottah - The Chuttrum and other Villages in the Zemindary of Ramnad & two in the Zemindary of Sivagunga - making a total of Villages yielding considerable sum of Revenue - These Villages are entered in the name of the Temple - The Chuttrum is — in a very unsatisfactory state - as will be seen from the accompanying correspondence - On the peremptory Requisition of the Chuttrum Villagers — were ready after I entered into the Sivagunga Zemindary, I made an enquiry regarding the state of the Institution - The Villagers of Mudukangoleum in which the Chuttrum is situated say that, upto F 1242 - 20 men, inclusive of 14 Chuttrum servants, were fed daily on the Chuttrum; that the Poultry was discontinued from F 1246 - from want of funds; that the Chuttrum building — is in a ruinous state — that since July 1247, 20 men are fed daily from the funds of the Poultry - in the Chuttrum in the Village of Topéri, & that 12000 Rupees are in deposit in the Zemindars Treasury from the funds of the Poultry -

From the Reports of the Villagers it appears that Mudukangoleum Periya Chuttrum is on a road No 22 leading to Rameswaram, resorted by travellers &c - Large numbers, & that the Topéri Chuttrum is not — in such an important road as Mudukangoleum Chuttrum - My request to reposite building yearly Periya Chuttrum & Godowns thereon, being situated on an important road - The Rayar Vakeel reported that the Chuttrum is [illegible] -

Boleany Account of F 1246

Besides getting any satisfactory explanation regarding the disgraceful state of the Chuttrum - I wrote to Mongiputti who enquired regarding the state of the Chuttrum says that it is not Expected by the Villagers as above - I don't believe that the Trustee of the Chuttrum are appropriating to [illegible] the funds of this Chuttrum which is situated on a less important road than the one under allusion - The influence of the Rayar keeps all these abuses secret - I recommend strongly to make arrangements so as to open the Poultry, for the support of which the Villages were granted, & [illegible] improve & repair the building - from the funds in deposit - & I recommend the Villagers to petition the Collector - If this cannot be done to assume the Villages & appropriate them with Godowns to put a stop to misappropriation of the funds of the Chuttrum -

II No Talcars about the boundaries on the part of the Rayar Vakeel of F 1246 - The boundaries correspond to those in the Account of F 1246 - Revenue 431 Acres 14 Cents

Confirmed in part as to the Chuttrum & Godowns that the Chuttrum is in ruinous condition & that the funds of the Poultry are not applied to the purposes for which it was endowed - I shall [illegible] write to the Collector with a request that he will assume charge of the Chuttrum & Godowns

I believe that the Trustee of the Chuttrum is not entitled to the Inam land - I consider that the Chuttrum is not in good order & that the funds are misappropriated - I would recommend that the Chuttrum be assumed by the Collector - This Village is assessed at Rs 631 - 2/7/59
