W^{ts} --- It is proved by the transit as well as by the receipts granted by the gens d'armes seigneurs for the payment of Portugal that the Village is in possession of the family of the po^{ts} enterbourg - they are all alien - engaged from

Vabekro

VII--- The lands in this Village depend upon one Tank. It is irrigated by a single stream. The Tank is filled annually. Security of Water is not felt generally. Wet lands are cultivated annually in full. Some of the dry lands are waste. The holders of this Village increased the extent of waste. Dry & Wet soil is good. The average income of this Village is 10 Rupees per acre as per statement of the holders of the Village. There is next to no contiguous open Village is Nannagolelu. The average Wet-land of that Village comes to 5734 per acre. The average dry arable varies from 2 to 60856 per acre. The history of the Village as follows---

The soil of the Village may be placed on par with that of the contiguous Agave Village.

Del - $3\frac{1}{2}$ An full time at $5\frac{1}{4}$ Apr - 202-
 Day 17 An full time at $1\frac{1}{2}$ Apr - 258-
