This Inam is entered in the Fysul Accounts as Arthamaniam free of half the rent. It seems that one Chokavelan his father and his grand father have been performing the Service in the temple for more than 63 years without interruption. The present Inamdar says that during the time of his father he continued to pay to the Zemindar as Poruppoo Rs 3-0-0 & 1 Colum 2 Mercals & 2 measures of Paddy but that he now enjoys a moiety of the Melwaram [illegible] the Inam lands which alone forms the net value of the Inam, with reference to the entry in the Sitimovar Accounts, the other moiety being paid to the Zuckdars.

The Average value of the Melwaram produce of the Inam land during the preceding 10 years from Fusly 1270 to 1279 both inclusive is Rs 41-14-0 of which or Rs 20-15-0 being the value of the moiety of the Melwaram Share paid to the Zuckdars is set down in Column 9.
