

The Malays say that these bones are not the same on the ¹st. But the difference is on a side to be seen & that if any difference is found on a personal examination, they are bound to accept on of these two bones as being ¹st. selected for them by the Rong Rongia. Hence the area of 308 ²nd. is confirmed here - (See next side)

(Vice must ride)

To be confirmed under Rule 2

123 Agreed & under Rule VII

$G = 2\frac{1}{8} = 110 \text{ Rufen}$ 18/3/84 177
