|---|---|---|---|---|---|---|
| Kalum | Ga | Kalum | Kalum | Rs As | Rs As | Rs As |
| 2145-7-1 | 1501-86 | 15898-2-5 | 6756-0-5 | 1-8-2 | 10208-8-7 | 6-12-8 |

IV The Village Ayan pays 16 annas per cent to the Late Rustum Sahib Elder Brother Avanderaiyan Krishnayyangar, per Sanad dated 27th Fasly, i.e. A.D. 1850 as his maintenance fee on the shape of his Birthright there was a written agreement with the power of disposing of the same. The family was then an undivided one when the transaction took place.

V The persons No. 7-8-9-18-19-20 & 21 of 16 - are enjoying some lands without documents - It is said that their ancestors acquired them partly by purchase & partly by gift long ago & that documents were lost - Enjoyment proved.

Valuation -

VI --- Wet lands in this Village depend upon one large tank - It is irrigated - It is fed by one of the branch streams of Paralaiyar - It is said that the tank is filled annually in full in ordinary seasons - No disasters such as scarcity, loss from scarcity of Water is frequent frequent. The villagers in pretty good state - Of the wet area, 42 Acres are classed as cultivated lands & 11/2 Acres of Dry in addition to the Zemindary old. Acres of Wet & 11 odd acres of Dry are classed as waste - The Melvaramdars say that the Waste lands are - 10 years waste & that they are fit to be cultivated only - Some of the Wet lands are cultivated annually 2d time - Some lands are cultivated with garden crops - Wet & dry soil is of good quality - It is said that the soil is of Reyar description - The average income of this Village as per statement by the Melvaramdars is 7 to 8 Rupees per annum - This is not true - The contiguous Ayan Villages Malinga-ettur & Tayanur - The average Wet assessment of these Villages calculated for a period of 15 years previous to Fasly 1270 comes to 8 annas per acre - The average Dry = annas 12 = to 0-0-9 per acre - (Vide next sheet)
