Sketch 100 100

1 This is a Parcel of the Agri Village of Pattanam in the Zamindari of Tiruvengga - This was granted by Malabar Ruler for the support of the Temple of Sannaravada Swayam in Sannaravam. This is a permanent grant. No Polls - The Temple is apparently kept up. See for particulars the Register of Sannaravam, a Village belonging to this Temple. The boundaries of this Village were not recorded either in 1744 or 1746. The boundaries inserted in the Sannaravam Account of 1760 are registered here at the suggestion of the Zamindari Taluk. Since the 4th Dec 1820 facts are confirmed here. These facts are situated within the said boundaries. Well lands are irrigated by a tank. Soil is of a medium fertility. Average profits of the Village are 25 rupees per annum. The Village is under direct management of the Zamindar.

1 This is one of the Darnasarranams - the Zemin-dary of Teravogunga. This was granted by the Rajah of 11 to the person of 13. In substance this is a hereditary grant. There is uninterrupted possession of its holders since the date of the grant. There has no Patta. It was lost - The Village is supported by all the Accounts of 12 - No Talkaroon about the Area nor about the boundaries on the part of the Rang's Vakul - The boundaries now inserted in the remanular statement correspond to those in the Account of 1246. Hence the 26 Acres & 64 Guntas situated within

The townsmen are confirmed here. The persons of 166 are divided members of our family. They are related to the Oge Grandee. The Village is enjoyed as above in the margin. Porcupine is paid equally by the persons of 1-2 & 3 & 4. The land are undivided. In the account of 1721 the area & Porcupine of the Village & another Village known by the name of Membrumerty is inserted in Europe. In the account of 1723, the area & Porcupine is omitted. The sum of 7-25 is paid on this Village since long separately. The sum is paid by the Waste Sales of the region.

The leaves are undivided.
This is a small village - The leaves are fringed by one rank of small edge - It is in aspect - It is fertile & large
- Villages - The land is better annually - Property of water is
