1 This is one of the villages in the panchayat of Sivagangai. It appears from all the accounts in 1808 that this was granted for the support of the Mattam of one Pissakrishna Pillai in 1808. The holding of this village proved that this is a personal grant. That this was granted for the support of the Ogl. Grantee & that this is called Mathaparam as this is granted for the support of the Ogl. Grantee who was a pious & "Savara" person. who gave up the practice of eating other things than food & vegetables. The Potta produced by the person of 1808, which is on a plain paper leaf & the genuineness of which is certified by the Rany's Vakeel through its existence is not mentioned in any accounts, shows that, this village was granted to the Ogl. Grantee as a personal grant with all the powers of administration. The passage in the Potta runs thus, where it shows the tenure of the village "Granted to Pijai Kuniarapillai, Panadu, Pijai, Matathurka, Panathu." "Pijai, Panay Kolla Tolly, Pindarum, Panay Kusa, Padi." The term Mathaparam village or, Panam conveys two meanings in the District. One is applicable to the endowments made to Mathams for its support & another is applicable to the grants made for the subsistence of "Savara" persons. In the latter case, the grant is styled as an endowment made to Mathaparam or divine place as for the report due to the Ogl. Grantee who is named in the highly divinity from his amiable & religious qualities. The descendant of the Ogl. Grantee also supposed of a portion of the village to the persons of 1808, in which case. It is proved that there was neither a Matham named Kunara Pillai Matham nor it fell into decay. Hence the grant is proved as personal grant & treated as such. The Rany's Vakeel also says that there was not a Matham in the panchayat known by the name of Kunara Pillai Matham. The Rany's Vakeel brought to my notice that one Kunara Pabbayan & Harry Hana Hagan presented a Petition to the F. C. Board, Contractors, Managers, & stating that this village was originally granted for the "Kairthikai Natchalathal Kallam" of Subramanya Swamy Temple, in Tenkudalur in Tirunelveli District & that the Ogl. Grantee accepted it. The allegations in the complaint prove to be quite false. This village is in possession of the family of the Ogl. Grantee since the date of the grant or since at least 110 years. It is not known whether this village was the endowment of the Temple previous to this. Hence the Petition is rejected. Many lines of our presenting such Petitions & entering. (The result is) To be confirmed under Rule 10 of the Rules of the Government of Madras. I have agreed & under one T. D. on a 24. Rule 10 for alienation of Rs 24. 2/3/65.

II No Takavar about the area or about the boundaries on the part of the Pongis Taluk.  
The boundaries now inserted in the revenue statement correspond to those in the Account of 1724-6.  
The boundaries given in the Account of 1724-6 differ from those in the Potta - This difference it is said by  
the holders of this Village is confined to mere wordings & that the boundaries are one & the same on the spot -  
Hence the boundaries are confirmed here & the 74 Acre & 20 futs situated therein are registered here.

III The Village consists of 8 equal Villages. They are enjoyed as above in the margin of the preceding page.  
The lands are undivided. Pongis is paid on the number of Villages equally & permanently.  
The holders of this Village produced usual statement dividing the lands in this Village to 8 equal Villages. The persons  
N<sup>o</sup> 3-4-5-6-7-8 complain that this Village consists of 8 equal Villages; that Pongis is paid on 8 equal Villages;  
& that they were raised to 8 as the persons N<sup>o</sup> 1 & 2 of 1716 refused to appear for the settlement unless it is done.  
& made them to wait here for months; that the persons N<sup>o</sup> 1 & 2 of 1716 being not satisfied with this, they asked them  
some more lands & some Pongis & that they promised them to pay 43 3/4 Pongis & brought them for the  
settlement. This is one of the most improper Proceedings - The complaint of the persons N<sup>o</sup> 3-4-5-6-7-8 of 1716  
proved to be true & it is admitted also by the persons N<sup>o</sup> 1 & 2 of 1716. Hence I advised the complainants to  
to pay a fee to the persons N<sup>o</sup> 1 & 2 of 1716 & registered the real 8 Pongis of the Village here.

The persons N<sup>o</sup> 1 & 2 of 1716 appeared after serving on them repeated summonses. All the delay in this part of the  
Country on the part of the ancient Madayagams to appear for the settlement is to make arrangements for  
collecting fees from the new share in the Village.

IV The father of the persons N<sup>o</sup> 3-4-5-6-7-8 of 1716 purchased 5 Villages in 1704-5 & 1705-6 & 1706-7 & 1707-8 & 1708-9 & 1709-10 & 1710-11 & 1711-12 & 1712-13 & 1713-14 & 1714-15 & 1715-16
