In a period of 25 years after the ~~the~~^{the} Oge of Shattuck fell in ruin & that the Turner Pouch is being est. abolished - only since the last 15 years. As the Oge of Shattuck fell in ruin; as the Range is not inclined to restore it & as the grant is being frustrated by not conducting the charity of Howard House, I recommend to confirm the Range under Act XXVII clause III on half assessment in consideration of the charity of Turner Pouch now being conducted & in consideration of the period of the enjoyment of the gemmer. Since the date of the ruin of the Oge of Shattuck, the filling should be considered to be in possession of the gemmer.
