1 These are the three Villages in the Zemindary of Sivaganga granted for the support of the Temple of Stree Alagha maniswarer in Arigaram — These are permanent grants. No Potta. The Temple is apparently kept up — No Talk ever about the boundaries of these Villages on the part of the Rany's Vakeel. The boundaries of these Villages are not recorded in any of the Accounts. The boundaries now recorded by the Curnum proved to be a correct ones —
2 No encroachments were made upon Ayan lands. These 3 Villages are situated contiguous to each other. These ~~four~~ three Villages are brought on one & the same Register as the boundaries of these Villages are recorded as one or in other words one boundary line is drawn ~~out~~ enclosing the lands of these 3 Villages, as the Villages are situated contiguous to each other & as these Villages are entered as one in the annual settled Accounts of the Zemindar — These Villages are entered in the name of the Temple in all the Accounts. The Temple & the Villages appertaining thereto are under the management of the Rany. The average income of these Villages comes to 750 Rupees per annum. The Curnum says that the Income is 203 Rupees per annum. This is not true.
