1 This is one of the hills open in the former survey of Sanyanga. This was granted by Muttiah
Vadaya Nadda Seiver of off to Ananta R. Nataraja Bhatter for embankment.
This is a hereditary grant. There is no interruption of possession of it to date since the date of
the grant. There is a Polter on a Copper plate. This is a grant. It is not a registered one.
The genuineness of which is admitted by the Rang's Vakeel. No toll was ever
the amount about the boundaries on the part of the Rang's Vakeel. The boundaries
now inserted in the revenue account statement correspond to those in the Account of 1770.
Since the boundaries are confirmed here & the 215 Acre & 60 futs estimate thereon
are registered here. This Village consists of 8 equal Villages. They are enjoyed as shown
in the margin. The lands are divided. Pongu is paid on the number of Villages
equally & permanently. (V. S. need never)
