1. This is one of the Dammavarams in the Zemi Taluk of Punganga. This was granted by one of the former Rannas of Punganga to the person of 189 for subsistence. This is a hereditary grant. This is an uninterrupted possession of its holders since the date of the grant. This has no Patta. It is noted. The Village is supported by all the Accounts of 1812. No Talkanar about the area or about the boundaries on the part of the Rannas. The boundaries correspond to those in the Account of 1866. Hence the 132 Acre & 70 fols extent within the said boundaries are confirmed here. The excess is a marked one. But it is situated within the proper limits of the Village.
