Register No. 171

Sheet No. 186

1 This is one of the Darmasanams in the Zemindary of Sivagunga. This was granted by the ancestor of the present Zemindar to above &c. when it is not known. This is a hereditary grant. This is in uninterrupted possession of its holders since the date of the grant. They had no Pottah. It was lost. The Village is supported by all the accounts of 12. No talk arose about the area or about the boundaries on the part of the Zemindar's Vakeel. Hence the area of 13 acres 18 cents is confirmed here. It is true that the boundaries of the Village are not recorded previous to this. But there are no other Villages contiguous to this Village, and as the present boundaries correspond to those in the Pottah granted in No. 159 by the Zemindar. The original Pottah was lost. Copy is produced. The Vakeel says that this is a true copy. The person No. 1 of 16 is the Manager of the Zemindary of Sivagunga. He acquired this Village in gift from the father of the present Zemindar in A.D. 1847. This fact is proved by Mr. Parker's Tabular statement dated 24 September 1856 to the Board of Revenue. From the same account it appears that the Zemindar was enjoying this Village since F. 1212 under the designation of Rokkrayam or purchased property. From the Proceedings of the Court of Wards dated 8th September 1857 No. 1094, it appears that the Village was released from attachment & restored to the person of 16 in the said year 1857. This Village was placed first under attachment in A.D. 1849 when the Estate was placed under the management of the Court of Wards, on the ground that the Village belongs to the Zemindar. On a report & recommendation of Mr. Parker the Village was found made over to the person of 16. The entire Village is in possession of the [illegible] of 16.
