

San Lorenzo

(This is one of the Damaranams in the Geniesany of Serangoon. It was granted by the Government of 1765 to the person of 179 x 18 others - This is a hereditary grant - This is in undisturbed possession of its holders since the date of the grant. This has no Patta - It was lost - The Village is supported by all the Accounts of 1762 - No. 10 known about the Area or about the Boundaries in the part of the Geniesany Patta - The boundaries now inserted in the vernacular statement correspond to those in the account of 17723. The boundaries of this Village were recorded in the account of 1766. The Mahajans say that the Account of 1766 was not accurate & that the boundaries exclude some of the lands that are in their possession from time immemorial - Again they say that the account of 1766 was prepared by the persons of the Village who were their enemies & that if it is proved on personal examination that the boundaries in the Account of 1766 are not accurate, they will guide by the boundaries given in the account of 1766. On the whole the boundaries in the account of 1766 have been proved to be accurate on the basis of the accounts of 1766 & 1768 entered on them the said boundaries of No. 10, are confirmed here.

III - One Pattabhiramijie claims 1/4 third from the person N^o 27 of 1866 on the ground that
 his father mortgaged the lands to the father in law of the latter in about 40 years ago.
 When I was enquiring the case, the Pff & Defendant entered into an agreement that
 they are to settle their dispute by an oath & thus the dispute took an oath path to the
 off. as the oath the Pff says is false Hence the Pff withdrew his claim. Thus the dispute
 ended - The lands are in possession of the Pff.

IV - One Pothabramijie claims 1/4 third from the person N^o 20 of 1866 on the ground
 that the lands originally were the property of one Ramaswamy, who mortgaged the lands
 about 30 years ago to the father of the person N^o 20 of 1866. & as the same to -
 his father in 1833 for paper 77 - executing a bill of sale on plain paper leaf.
 Person N^o 20 of 1866 pleads that Ramaswamy, father of the said Ramaswamy and the lands
 of his father in 1833 for paper 77 - under a written bill of sale on plain paper leaf.
 lands are in his family ever since. I examined the bill of sale produced by the person
 of 1866 most carefully & found it to be spurious one from the nature of the writing & from
 the paper leaf. The person N^o 20 of 1866 said that they should demand
 bill of sale produced by them genuine or not & that they found it in their
 and anticipated that the bill of sale produced by Pothabramijie is a
 that the lands are in mortgage with the family of the person.
 - Hence the Pff is repudiated in the name of Pothabramijie.

VI - One Yelloppya N° 7 of 1866 claims half of the lands entered opposite to
 person N° 2 of 1866 on the ground that his father N° 5 of 1866 mother are dead;.
 that the lands belong to the father & then mother & that the lands being the
 Mahajelen or their mother father's property, it should be enjoyed equally by himself & his
 opponents. Against the claimant pleads that his mother father died 20 years ago & that
 ever since the person N° 2 of 1866 has been enjoying the entire lands. The person
 N° 7 of 1866 pleads that the lands that are now in his possession are his father's & not
 Mahajelen's. It is proved that in A.D. 1857, the claimant's father executed an
 agreement to the father of the person N° 5 of 1866, receiving $2\frac{1}{2}$ % of the property in the Dandamam
 under settlement as a share due to the father of the person N° 5 of 1866. Hence the
 father of the person N° 7 of 1866 is not entitled to the property of the mother
 & against the genuineness of the agreement. The lands are in possession of the Defendant.
 Hence the claim is rejected & the party is referred to civil court.

VII - The person N° 44 to 49 of 1866 claims $\frac{1}{2}$ of the property from the person N° 35 of 1866 on
 the ground that their ancestors mortgaged the lands to the ancestors of the latter 60 years ago
 & failed to prove the same. The Mahajelen deny every knowledge of it. Hence the
 claim is rejected & the party is referred to civil court.

VIII - The said persons N° 44 to 49 of 1866 again claim $\frac{1}{2}$ of the property from all the
 Mahajelen & on the ground that they usurped it 10 years ago & failed to prove the
 same. Hence the claim is rejected & the party is referred to civil court.

IX - The person N° 49 of 1866 claims $\frac{1}{2}$ of the property from the person N° 28 of 1866 on the ground that
 her husband's younger & elder brother of her husband mortgaged the lands about 20
 years ago to the father of the person N° 49 of 1866 & that he sold them to the person
 N° 28 of 1866. It is proved by documents, witnesses & that she, her son & her husband
 younger & elder brother sold the lands to the person N° 28 of 1866 in A.D. 1853 for
 Rs. 246. & that the bill of sale is on a stamped paper leaf. The lands are in possession
 of the person N° 28 of 1866. Hence the claim is rejected & the party is referred to civil
 court.
