Register of Devadayam Village of Kallipatti in Tripatur Talug of Sivagunga Zemindary in Madura District

Register No. 1263

Register No. 1263

Kallipatti

கல்லிப்பட்டி

Sheet No. 1433

I. This is one of the Devastanam Villages in the Zemindary of Sevagangai. It was granted as appears by the account of F 1211 &c. for the support of the Temple of Stree Socka Narayana Swamy otherwise called Sowmya Narayana Swamy in Terukostiyur. This is a permanent grant. No Potta. The Temple is efficiently kept up. No Takrar about the area or about the boundaries on the part of the Ranys Vakeel. The boundaries now inserted in the vernacular statement correspond to those in the Account of F 1246. Hence the boundaries are confirmed here & the 389 Acres & 88 Cents situated therein are registered here. These lands are situated within the said boundaries.

II. In the account of F 1223, 19 Acres & 25 Cents are ~~entered~~ deducted from the area of ~~the~~ the Village as Darmasanam ~~[illegible]~~. This is a mistake. There is ~~no~~ no Darmasanam in this Village. The entire Village is in possession of the Temple from time immemorial. In the Jamabandi Account of F 1212 some land is deducted for a Darmasanam named Manickyamenal ~~in the~~ out of the area of the Village under settlement. This is also wrong. The said Manickyamenal is situated within the limits of Amravathy Talug. The Village under settlement is situated within the limits of Tirupattur Talug. Manickyamenal has been brought & settled on a separate Register.

The average income of the Village is 2000 Rupees per annum. This Village & the Temple with other Villages belonging to it are under the management of the Rany.
