The persons N° 6-5-6-7-8-9-10-11-12-13 of 16 are the descendants of the Ogl -
 Granter. The persons N° 11-12 of 16 purchased some of their lands in 1839 for paper -
 21-76- from one Narayanyengar. Bills of sales on a plain paper leaf - Transactions
 proved to be bonafide. Enjoyment proved. The father of the person N° 13 of 16 purchased some of his
 lands in 1809-1838-1840-1842. for paper 69-24 from one Appayyengar, &
 Four bills are on plain paper leaves. Transactions proved to be bonafide. Enjoyment proved.
 The persons N° 14 to 20 of 16 - wrote in their statement that they purchased their lands of that
 Bills of sales were lost. They say before me that they are descendants of the Ogl Granter.
 All the persons of 16 say that their ancestors purchased the lands long ago but the bills of sales
 were lost - The persons of 16 say in one & a single tone that all of them have right to their
 respective shares. As this Village was granted Originally to the Bramins of various families or of
 Nair Gotra & Nair Putra, & as only one of the Ogl Granter's name is given in the Account of
 1721 & 1723, there are no means to give the relationship of the persons who are said to be -
 the descendants of the Ogl Granter.

Valuation

The wet lands depend upon one large Tank. It is irrigated - It is fed by a Linga Stream & by the waste water of the adjoining Arinj Villages -
 The Tank is fed annually. Scarcity of water is not felt generally. The Mahajannams say that 3% Area of Wet land is waste in that it is not 18 Arinj Wells are cultivated annually
 No Pujah lands in the Village. The Mahajannams say that the lands placed as Pannabika are not fit for cultivation. Some of the Wet lands are cultivated annually 20 times &
 Nairajah lands are of a superior quality generally. Harvest is good. The contiguous Arinj Village is Kandanar. The average Wet assessment of the Village calculated for a period of
 13 years previous to 1270 for which detailed accounts are available comes to Rs 50 per acre. The Mahajannams say that the soil of the Village under settlement may be placed on
 for with that in the said Arinj Village - The average income of the Village calculated for a period of as per statement of the Mahajannams
