The village is entered in all the accounts in the name of the temple. No talk over about the area or about the boundaries on the part of the Pwary's Taluk. The boundaries now inserted in the Pwary's statement correspond to those in the pargana's settled accounts of 1259. Hence the boundaries are complete here & the 21 Anus situated there are complete. Regularly here. The temple is of the Pt. Prigity. The average income of this village is 87 Rupees per Anus. This is not true. I raise it to 240 Rupees with reference to the fertility of soil & the income of the religious institutions is deposited as a favour to the holders of the ^{land} ~~temple~~ permanent grant. The village is a Hamlet of the byer village of Kandadevi. Hence it is called Vulkadai. The temple & the village, appertaining thereto are under the management of the Pwary of Paragangui.
