1 This is an undivided Inam in the Ayen Village of Kandanipatty – In the account of F1211, it is not stated to whom does this Inam belongs – but it is entered as Divitam – ~~with the~~ Person – The Vakeel of the person No 16 pleads that the late father of his Client purchased the Inam about half Century ago from one Muttukutty Pulavan, whose ancestors it is said that the Inam was granted, & that the Bill of sale was consumed by fire – about 30 years ago – He again says that ~~that~~ the family of the Orgl Grantee is ~~no~~ extinct – since long – In an account of Divitams forwarded to the Collector in AD 1860, it is said that this Inam was purchased by one Velayapa Setty of Nattarasemkotai from the descendants of the Orgl Grantee who was a "Pulavan" or Poet – The said Velayapa Setty appeared before me & gave a Razinamah that he never purchased this Inam, ~~that~~ that this was mortgaged to him for 8 years & that the mortgage was redeemed 6 years ago – One Anga Muttu Pillai No 2 of the person No 7 & 16 says that this Inam was mortgaged to him for 2 years & that it was redeemed from mortgage 2 years ago. The Vakeel of the person No 7 & 16 produced a mortgage bond dated 1831 showing that ~~Periya~~ Muttu Vijaia Raghunadha Rooa Gurusawmy Taver, the father's Elder Brother of the Ex zemindar mortgaged some of the lands in the Village to the late father of the person No 7 & 16 ~~&~~ & that this Inam was then in possession of the family of the person No 16 – The ~~Ranee~~ Rani's Vakeel says that this is a genuine document – In the Zemindari Account of F1211, this Inam is entered as Divitam – In the Account of F1212, this Inam is entered as Pulavan ~~Divitam~~ & the extent of which is given as 17½ Acres – In the Account of F1238, this Inam is entered as the property of the person No 7 of 16 – Muttukutty Pulavan – As it is proved from the above, that this Inam was purchased by the father of the person No 7 of 16 & that it is in possession of their family ever since, I confirm this on the payt of 16 on 1/8 of assessment – The Zemindar gave subsequent to the Permanent Settlt, 9 Acres & 57 Cents of Wet from the Ayen lands to the father of the person No 7 of 16 – This being a subsequent grant, it is not registered here – I assumed the valuation of the ~~of~~ Inam with reference to the fertility of soil. The average wet assessment of the contiguous Ayen Villages is 7 Rs per acre. The average income of this Inam as per statement of the Inamdar's Vakeel is 80 Rupees per annum – There is not ~~Land~~ – No waste in this Inam
