Register of Choultry Village of Karumanendal in the Taluq of Marnad mindari Estate in Madura District

Register No 1147.

Register No. 1147 Karumanendal கருமனேந்தல்

Sheet No. 1290

I This is one of the Villages granted for the support of Narikudi Chattram — Vide my ~~of~~ remarks in paragraph the Register of "Mêla Porulai" — regarding the origin & state of the Chattram —

II The boundaries of this Village are not recorded in any of the accounts or in the Patta — there is a Ayan Village contiguous to this — the Ranga Valkal but not any objection to confirm here the recognized boundaries of the Village mentioned in the vernacular statement — Hence the boundaries confirmed here & the 74 Acres & 57 Cents situated therein are registered —

The recognized boundaries proved to be correct one — The boundaries are not given in the Patta —

III Average income of the Village is 50 Rupees per annum as per statement of Sheikdars — this is quite false — I think they are misappropriating the funds — I estimate the average income of this Village at 300 Rupees per annum — There are two tanks in this Village ~~which are in~~ repair — fed by a Jungle stream &c
