Register No. 688

Kattaiyálamkolam.

Sheet No. 895

I. This is one of the Villages of the Zemindary of Sivaganga. This was granted by former Govt to Thanmuga Sundara Bhattar for the service of Worshipping in the Sri Minakshi Ammen & Sundareswarer in Madura Minakshi Temple. This is a permanent grant. No Patta. It was lost. The Temple is efficiently kept by the present holders of this Village who are descendants of the Orgl Grantee. are reported to be punctual in their service, by the Rangs & by the Devasthanam Managers Vakeels. The nature of the service is to Worship the Ammen & Swamy. to make Abishekam, & to preserve the Jewels &c of the Temple. This is a continued service required to be done daily 6 times. As there are several "Battamars" or Worshippers in the Temple, they do their work by rotation. The persons of the 16 do their service for 4 days in every 64 in a month. when their turn comes. The holders of this Village have not any personal interest in this Village. They are not allowed to mortgage the Village or dispose of it finally either by sale or gift. They are to enjoy the Village as long as they are punctual in their service. In the accounts of Fl 1211, 1223 & 1244 this Village is entered as "Arachanaikkagem" or amendement of the office of the Worshippers. In the English account of AD 1815, Cl 77 which is forwarded to the Board of Revenue, this Village is entered under the head of the "Inam Villages granted to defray the charges of Pagodas." & when the head of the object of the grant it is said that this was granted for endowment of Thanmuga Bhattar of Meenakshy Pagoda. I do not think that these words convey the meaning that there is a personal grant. As this is a known fact that this one of the Arudana Bagem Villages of Meenakshy Temple of Madura & as the holders of this Village are punctual in their important service, I trust this Village under Rule III clause one-
