Registered. 66
Sheet No. 62

I This is one of the Daimanaran Villages in the peminang of Perangai. This was granted to be enjoyed hereditarily by the person 16 to the person 13 for subsistence. This is a hereditary grant. This is in uninterrupted possession of its borders since the date of the grant. This has no Patta. It was lost. This village is supported by all the existing accounts. The Village consists of 12 equal Villages. They are enjoyed as shown in the map. The lands are undivided. Porcup is paid on the number of Villages equally & permanently. No Lal Carron about the boundaries of the Village on the part of the peminang Village. Hence the area of 30 acres & 95 futs which is situated within the said boundaries is confirmed here. The person 16 is not descendant of the Original Grantee. They are aborigines. The said Patta of the person 16 is the father of the person 16. The person 16 purchased the entire Village in A.D. 1812 & 1813 for Rs. 55-8 on 5 occasions from our Vardachony, Latching Nannan, Eyer. & Nanner. Some Patta are on plain paper leaves. Transactions proved to be bona fide. There were witnesses to prove the genuineness of the Patta of sales. The fact of the name of the father of the person 16 being ascertained in the Bondi Register of A.D. 1815 proves the genuineness of the Patta. The lands depend upon two Lands of moderate size. They are not in thought repair they are fed by the river Panbar. Wet lands are cultivated annually. Wet lands are cultivated 2 times. The Mubayans claim 84 acres of Dry as Panbar is a written Patta that they are not fit for cultivation. The Mubayans say that 28 acres of Dry land as waste are fit for cultivation but they are not cultivated during the last 2 years. No land is sown. No security of Sales is given. The Mubayans complain of excessive water. Soil is not of a uniform quality. It is generally impregnated with salt. The average annual of the neighbouring
